# Your Guide to the Marlboro Area

Southern Vermont is a wonderful place to visit. In addition to great music, you can enjoy beautiful countryside, historic inns and hotels, delicious food, and plenty of indoor and outdoor activities.

To help you make the most of your trip, we've created our own guide to the area, highlighting our favorite locally-owned shops and galleries, fine dining, lodging, and more. We hope it enhances your visit.

## A group of nine people, including staff and trustees, standing in front of a building with large windows and a sign that reads "16". The group consists of five men and four women, dressed in professional attire. They are posed in two rows, with some standing behind a black metal railing. The building behind them has large white-framed windows and a sign that reads "16".

Fitts, Olson & Giddings, P.L.C. is a firm serving Brattleboro in General Practice, Litigation and Insurance Defense cases.

**GUILFORD**  
S O U N D

**A recording oasis  
in the foothills  
of Southern Vermont**

A large, modern recording studio with a high ceiling, wooden walls, and a grand piano. The room features a large window on the right side, a glass-enclosed drum kit area, and a red wall on the left. The floor is made of light wood, and there is a large red patterned rug in the foreground. The ceiling has exposed wooden beams and acoustic panels. A black grand piano is positioned in the center of the room, and a black bench is in front of it. The room is well-lit with natural light from the window and recessed ceiling lights.
