

THE MARLBORO MUSIC SCHOOL AND FESTIVAL

2020 Vocal Program Application Form

Season Dates: June 28-August 16, 2020

The Marlboro Music Vocal Program invites 6-8 singers each summer to Vermont, where they take part in our seven-week chamber music program together with about 65 extraordinary instrumentalists, living on campus, eating meals together, and rehearsing chamber music in depth. While we do have public concerts for five weekends as part of the season, programs are not planned in advance, but are an outgrowth of the study program. (Only about 25% of works rehearsed are performed). Singers at Marlboro focus on a combination of art song, vocal chamber music, and chamber music with instruments.
